## JOIN-N . . .

*It was in 1997 that a small group of citizens met at Jefferson College with a vision.*

*That vision was to create an organization dedicated to keeping the citizens of Jefferson County informed via the internet of services and information available to them.*

Since that first meeting JOIN-N ([www.jeffersoncountyonline.org](http://www.jeffersoncountyonline.org)) has evolved over the years into a wealth of information for county residents and folks seeking information about Jefferson County when thinking about moving here.

Whether at home, at work or at a public computer, local citizens are able to find the information that is important to them.

**JOIN-N averages 1300+ hits a day as visitors take advantage of the wealth of information provided at [www.jeffersoncountyonline.org](http://www.jeffersoncountyonline.org). Visitors have come from as far away as New Zealand.**

Many visitors are seeking County, State and business resources, obituary and genealogy information, pet adoption.

There are links to City, County, State and Federal governments, county schools, churches, entertainment, news media and much more.

**JOIN-N business/organization members are listed, along with their e-mail addresses/web sites.**

## JOIN-N . . .

The **Community Calendar** is a great place to click to find out about events in Jefferson County: [www.jeffersoncountyonline.org/calendar/calendar.shtml](http://www.jeffersoncountyonline.org/calendar/calendar.shtml).

Organizations are encouraged to e-mail their upcoming events to the address on the calendar page. As always, it is a free service.

“Jefferson County History” is a work in progress:

[www.jeffersoncountyonline.org/history/jeffcohist.shtml](http://www.jeffersoncountyonline.org/history/jeffcohist.shtml).

As it has been for many years, JOIN-N is manned by a dedicated group of volunteers who work to keep the web site updated and are always looking for new information to post.

After Hurricane Katrina, JOIN-N was approached to help provide a link between service organizations and County government so they could share information with each other. JOIN-N, with the cooperation of Jefferson County Library, set up a listserv which connected government, organizations, churches and volunteers during this time of crisis.

**Memberships help publicize the web site. We hope you will renew your membership this year.**

If you are not a member we encourage you to become one and help spread the good news about Jefferson County. Participate in your community and become a member of this great organization. “Share the vision.”

**Thank you for your support.**
